SPRING DANCE

The PTO is sponsoring the annual Spring Fling Dance in the Navy gymnasium on March 19th from 6:30-8:30. This year's dance will feature a Mardi Gras theme party with entertainment by DJ, Matt Johnson. The dance will be complete with a limbo and dance contests by grade. Mardi Gras beads, pizza, and candy will be for sale. Navy Apparel will also be available for purchase at the event.

We hope you'll wear your purple, green or gold and join in the fun! All Navy students and their elementary-aged siblings are welcomed. For the safety of our students, all children must be accompanied by a parent and the playground area is closed during the event.

Please RSVP to Ari Jones at ari.jones@cox.net if you can attend. If you can help in working a shift at the concession stand or with light clean up, please sign up at:

FCPS Board Approves Makeup Day

The Fairfax County School Board has approved Fairfax County Public Schools Superintendent Jack D. Dale's recommendation to make up four instructional days lost due to inclement weather. The Board approved a plan to follow the official 2009-10 calendar, which includes using **Monday, April 12, as a makeup day for a full day of school and using June 23, 24, and 25** as makeup days to satisfy the remainder of the four-day deficit for schools following the standard calendar.

The Board also gave Dale approval to seek a waiver from the Virginia Board of Education for one of the makeup days and any additional days that may be missed for the remainder of the 2009-10 school year.

COUNTY & STATE ADVOCACY ACTIONS CRITICAL TO SCHOOLS

YOUR advocacy actions are critical now more than ever with the [County Executive's recent budget proposal](#) calling for a **\$16.3 million cut in FCPS funding and an advertised tax rate below equalization.**

This is devastating news for our schools especially combined with Governor McDonnell's proposed **\$730 million cut to K-12 state education funding.** It is critical that EVERY concerned Fairfax County resident take action **before March 9** to oppose these newly-proposed drastic cuts.

How can you help?

1. Contact [your county supervisor](#) and [Chairman Sharon Bulova](#). Forward advocacy letters to our tracking account at fairfaxflagsaction@gmail.com.
2. Contact [Governor Bob McDonnell](#) & your [state-elected officials](#).

McDonnell is proposing **\$730 million in cuts** to K-12 state education funding. The state also is considering giving localities meals tax authority which would help generate and diversify revenue streams. Address these issues separately in your advocacy communications before March 13 when the state session ends.

3. [Sign up](#) to speak at County Board of Supervisors Public Hearings April 6, 7 & 8 (*April 6 is already closed.*)

Numbers matter and we need speakers in support of education funding to be in full force at the hearings. Speaking slots are limited so [sign up online](#) or by calling 703-324-3151 today!
